Getting benefits with Arkansas Total Care is easy. We believe the best way for you to keep good health is to have a good relationship with your family doctor. You pick your own primary care physician (PCP) - someone you like and trust. When you need care, all you have to do is call your PCP for an appointment. Tell them you are covered by Arkansas Total Care. It's that simple.

Providers that are on this list are in-network providers. In-network providers have contracted with Arkansas Total Care. ARTC has a relationship with these providers. We trust them to offer services to our members. A provider who is not in our network is an out-of-network provider.

ARTC attests that we meet network adequacy standards as outlined in the PASSE Medicaid Provider Manual.

Please be aware that some providers may choose not to perform certain services based on religious or moral beliefs.

If you want to recommend a provider who is not part of this listing, please direct them to: https://www.arkansastotalcare.com/providers/become-a-provider.html

Accessibility Information

Below is information used in the provider directory to indicate accessibility at a provider office or building site. This information is not a promise that every doctor will always have the access that you may need. If you have a disability, you should call the doctor's office to talk about your access needs.

Accessibility Requirements:

All Criteria Met: if the provider meets all (49) Critical Elements (CE) for disability access in four (4) main areas: Parking, Exterior Building, Interior Building, and Programmatic Access.

Some Criteria Met: if the provider does not meet 1 or more of the CEs.

No Criteria Met: if provider reports having no disability access for all of the CEs.

Details Pending: if there is no data to support any of the 4 main areas.

Indicator	Definition	Criteria
P	Parking	Parking spaces and van-accessible space(s), are accessible. Curbs to on-site parking, public transportation, and the side walk at the site entrance have curb ramps.
EB	Exterior Building	There is an accessible ramp to the building. Curb ramps and other ramps to the building are wide enough for a wheelchair/scooter. There are handrails on both sides of the ramp. Doors are wide enough for wheelchair/scooter to enter and the doors have handles that are easily opened.
IB	Interior Building	Doors are wide enough for a wheelchair/scooter and have handles that are easily opened. There are interior ramps that have handrails. If an elevator is present, it must be free for public use. The elevator has easy-to-hear sounds and Braille buttons within reach. The elevator is large enough for a wheelchair/scooter to turn around. The restroom is accessible, has doors wide enough for wheelchair/scooter and are easy to open. Offices have accessible equipment and clear for space where the equipment is for side transfers by wheelchair or scooter users. Lift equipment exists when needed. If office has a chair lift, it can be used without help.
PA	Programmatic Access	Programmatic access includes, but is not limited to: accessible communication and materials in other formats given in a timely manner, staff help with follow-up visit planning, and other disability-related support (people with disabilities who cannot wait in waiting room are seen right away).
~	Rx	This pharmacy can provide an extended day supply.
+	New patients	Physician is currently accepting new patients.
#	Existing only	Physician is currently accepting existing patients only.
*	No patients	Physician is not currently accepting patients at this time.
	Bus route	Provider indicated this location is on bus route.

Arkansas Total Care cannot guarantee the accuracy of provider self-reported disability access information as it has not been verified by the health plan through an in-person Accessibility Site Review (ASR). Members are encouraged to contact the provider in advance to ask about disability access, and to contact the health plan immediately if the self-reported information is not accurate.

Información de Accesibilidad

A continuación encontrará información que se utiliza en el *Directorio de Proveedores* para indicar características de accesibilidad en el consultorio o en las instalaciones del edificio. Esta información no garantiza que todos los médicos ofrecerán siempre el acceso que usted pueda necesitar. Si tiene una discapacidad, debe llamar al consultorio del médico para hablar sobre sus necesidades de acceso.

Requisitos de Accesibilidad

Cumple con todos los criterios: si el proveedor cumple con todos (49) los elementos críticos (por sus siglas en inglés, CE) para el acceso de personas con discapacidades en las cuatro (4) áreas principales: Estacionamiento, exterior del edificio, interior del edificio y acceso programático.

Cumple con algunos criterios: si el proveedor no cumple con 1 o más de los CE.

No cumple con ningún criterio: si el proveedor informa que no ofrece acceso para personas con discapacidades para ninguno de los CE.

Información pendiente: si no hay información relacionada con ninguna de las 4 áreas principales.

Indicador	Definición	Criterios
P	Estacionamiento	Los espacios de estacionamiento y los espacios de estacionamiento para camionetas son accesibles para sillas de ruedas. Los bordillos para acceder al estacionamiento local, el transporte público y la acera de la entrada a las instalaciones tienen rampas.
EB	Exterior del edificio	La entrada al edificio cuenta con una rampa accesible para personas con discapacidades. Las rampas de los bordillos y otras rampas para entrar al edificio tienen la amplitud suficiente para una silla de ruedas/escúter. Hay barandillas a ambos lados de la rampa. Las puertas tienen la amplitud suficiente para que pase una silla de ruedas/escúter y manijas que se abren con facilidad.
IB	Interior del edificio	Las puertas tienen la amplitud suficiente para que pase una silla de ruedas/escúter y manijas que se abren con facilidad. Hay rampas interiores con barandas. Si hay un ascensor, debe ser de uso público y gratuito. El ascensor emite sonidos fáciles de escuchar y tiene botones con braille al alcance de la mano. El ascensor tiene la amplitud necesaria para que quepa y gire una silla de ruedas/escúter. El baño es accesible para personas con discapacidades y tiene puertas con la amplitud necesaria para que pase una silla de ruedas/escúter y que se abren fácilmente. Los consultorios tienen equipos accesibles para personas con discapacidades y espacio libre junto a los equipos para que los usuarios de sillas de ruedas o escúteres puedan realizar desplazamientos laterales. Se cuenta con los sistemas de elevación necesarios. Si el consultorio tiene un elevador para sillas de ruedas, puede utilizarse sin ayuda.

PA	Acceso programático	El acceso programático incluye, entre otros, los siguientes servicios: comunicación accesible y entrega oportuna de materiales en otros formatos, ayuda del personal para planificar una visita de seguimiento y otras ayudas relacionadas con la discapacidad (atención inmediata de personas con discapacidades que no pueden esperar en la sala de espera).
~	Medicamentos	Esta farmacia puede brindar atención a largo plazo.
+	Pacientes nuevos	Actualmente, el médico acepta pacientes nuevos.
#	Solo pacientes existentes	Actualmente, el médico solo acepta pacientes existentes.
*	No acepta pacientes	Actualmente, el médico no acepta pacientes.
	Ruta de autobuses	El proveedor indicado en esta ubicación está en la ruta de autobuses.

Arkansas Total Care no puede garantizar la precisión de la información de acceso para personas con discapacidades proporcionada por el proveedor, ya que no fue verificada por el plan de salud a través de una revisión de accesibilidad presencial del sitio. Alentamos a los afiliados a que se comuniquen con el proveedor antes de la consulta para preguntar sobre el acceso para personas con discapacidades y contacten inmediatamente al plan de salud si la información proporcionada no es precisa.
