

Secure Provider Portal

Manage patient administrative tasks quickly and easily.

Visibility of Multiple TINs

One point of entry allows for quick and easy access to Arkansas Total Care member information for multiple TINs/practices.

Access Daily Patient Lists from One Screen

One concise view allows primary care providers to scan patient lists for Allwell member eligibility, care gaps, and much more.

Manage Batch Claims for Free

Submit and manage claims, including batch files, for free. View detailed Electronic Funds Transfer (EFT) payment history.

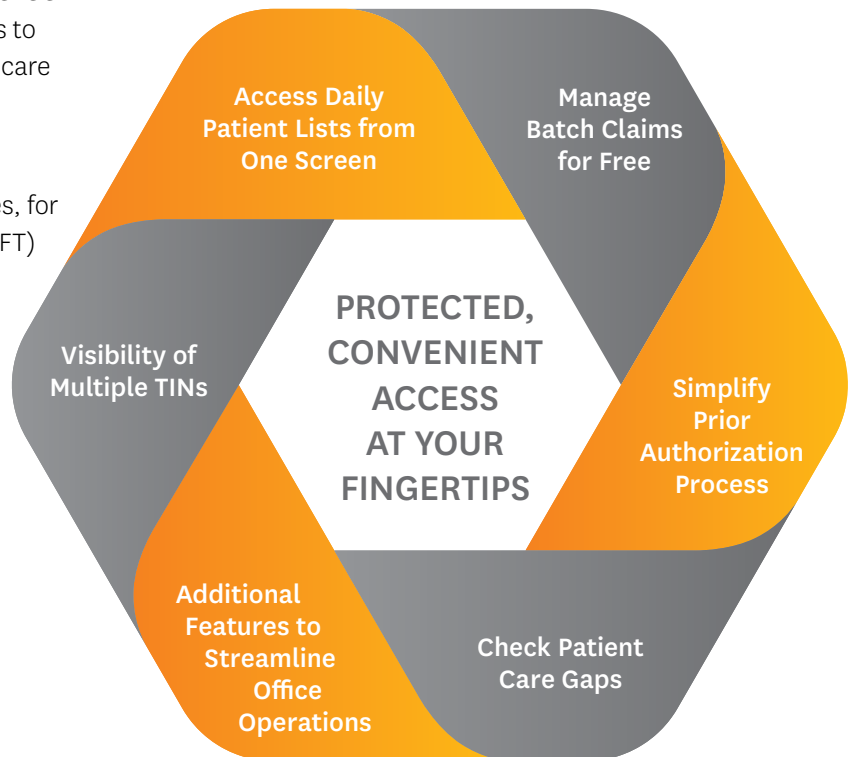

Simplify Prior Authorization Process

“Smart Sheets” feature prompts for required clinical information when submitting prior authorization requests.

Additional Features to Streamline Office Operations:

- View patient demographics & history
- Secure messaging between provider & Arkansas Total Care
- Update provider demographics
