STEP 3: Search for a Provider

There are two ways to search for a provider: **Quick Name Search** and **Detailed Search**.

Before choosing your search option, make sure your correct state network is showing.

You can also save a list of your favorite providers. You can add their contact information to **My Favorites**. This gives you quick access to your list of providers whenever you need it.

Quick Name Search

You can search a provider (doctor, hospital or other medical service) by name. You can use the **Quick Name Search** by typing into the search field.

Quick Name Search

Detailed Search

If you want to search using more options, click on **Detailed Search**. You can then select a **Type of Provider** from the drop-down menu. Next, you can choose a **Specialty**.

You can also look for a lab, medical equipment, home health or another health service. To do this, choose the **Ancillary** option from the drop-down menu. Then, select a **Specialty** from the list.

You can narrow your search by clicking on **Additional Search Options**. This allows you to choose details such as the doctor's gender, languages spoken, hours of operation and hospitals and medical groups.

STEP 4: Select Your Provider

After you click on Search, a new page will open showing all the providers that fit your criteria.

On this page, you can:

- Click on a blue, bolded name to learn more about any of the providers listed
- Filter your results or
- Print the page

Example of Provider Details page: you can use this to find public transportation options and driving directions. You can also find information about a specific provider.
