ARTC members can use their prescription drug benefits by going to a pharmacy on this list. ARTC does not cover all medications. An in-network ARTC pharmacy can let you know what medications are not covered. They will also be able to help you find medications that are covered.

If you have questions about what medications are covered by ARTC, contact ARTC's Member Services at 1-866-282-6280 (TDD/TTY: 711) for help.

The Preferred Drug List (PDL) is a list that shows some of the drugs covered under the pharmacy benefit. This list is updated by Arkansas Medicaid. You can access this list by visiting:
