

CES Waiver Emergency Request Form

Please use this form to provide notice of emergency support revisions for CES Waiver members related to COVID-19. The requirement of a Prior Auth for additional services has been waived in light of the COVID-19 outbreak. However we request that you submit this form to ensure we are aware of the services being delivered to our members.

For emergency revisions, please:

1. Complete and submit one copy of this form for each member that needs additional hours.
2. Return these forms to via our web portal or by fax within two business days of initiating services. To fax forms, send to: 833-249-2342.

Billing Instructions:

Providers should continue to bill H2016 for the daily budgeted rate if there are no changes. If additional supportive living is needed, providers may bill \$21.00/hour, using code T2020 UA for emergency adjustments for one-on-one or shared staffing.
