Getting benefits with Arkansas Total Care is easy. We believe the best way for you to keep good health is to have a good relationship with your family doctor. You pick your own primary care physician (PCP) - someone you like and trust. When you need care, all you have to do is call your PCP for an appointment. Tell them you are covered by Arkansas Total Care. It's that simple.

Providers that are on this list are in-network providers. In-network providers have contracted with Arkansas Total Care. ARTC has a relationship with these providers. We trust them to offer services to our members. A provider who is not in our network is an out-of-network provider.

ARTC attests that we meet network adequacy standards as outlined in the PASSE Medicaid Provider Manual.

Please be aware that some providers may choose not to perform certain services based on religious or moral beliefs.

If you want to recommend a provider who is not part of this listing, please direct them to: https://www.arkansastotalcare.com/providers/become-a-provider.html
